

Child Safety Commitment Statement

At Yarra Junction Junior Netball Club, we are committed to creating a safe and positive environment for all children and young people that are participating in our netball programs, events and activities. We believe that all children have the right to participate in netball in a safe, positive and nurturing environment.

Our Commitment:

We are dedicated to providing a safe environment, where children can learn, develop and enjoy netball without fear of abuse or neglect.

We have a zero tolerance approach to child abuse and neglect, and all allegations or concerns that we have will be treated seriously and investigated accordingly.

We will listen to children and respect their views and involve them in decisions that affect their safety.

We will actively work to prevent child abuse and neglect by implementing robust policies, procedures and practices.

We will provide education to all our volunteers, coaches and families on child safety, child protection and relevant policies and procedures.

We will have a clear reporting procedure for anyone who has a concern about child safety.

We will be accountable for our actions and decisions related to child safety and we will regularly review and improve our practices.

We will work collaboratively with parents, guardians and other relevant organisations to promote child safety in netball.

We will strive to provide a culturally safe environment for all children, including Aboriginal children and children from culturally linguistically diverse backgrounds.

Our Policies and procedures:

- Wellbeing policy
- Child Safety policy
- Code of conduct
- Child friendly code of conduct
- Complaints policy
- Recruitment and screening policy
- Reporting procedure
- Risk assessment plan
- Third party providers policy

Our Promise:

We promise to uphold these commitments and work tirelessly to ensure that netball remains a safe and positive experience for all children at Yarra Junction Junior Netball Club
